Red Hat sisters of Oklahoma would you like to escape next February's cold, icy weather and warm up on a western Caribbean cruise? This cruise on the Carnival Dream sailing out of Galveston will help to rejuvenate you and hopefully darken your suntan. There are 2 ports of call, Cozumel and Progreso where you can chose your preferred tours. We will bus together from OKC to Galveston the day before we cruise departing at 8:00 am (We won't let icy weather stop our cruise on the Fun Ship)

A pass port is highly recommended but a current driver's license and your original birth certificate will get you on board, BUT if you need to cut your trip short and fly home you MUST have a passport.

Registration forms are available to all Queens to be given to their interested members. Text me your name, chapter name, e-mail address, snail mail address, and phone number. They can also be picked up at the Rambling Rose 15<sup>th</sup> Anniversary at the Yellow Rose.
